

Rider Requirements

Hospitality rider:

1. A private dressing room in close proximity to the stage
2. Tea, coffee, bottled water
3. Two Clothes racks
4. Ten Clothes hangers
5. Eight chairs
6. One table

Technical requirements:

1. Speakers (at least 100 w)
2. Amplifier
3. During our performance, the stage must be free from unnecessary things

Other Requirements:

We also need

1. The ability to connect our laptop to the sound equipment
2. One free 220W outlet near the music console
3. Total blackout during the performance

Timing

It is preferable to discuss the exact time of our appearance on stage 1 h 20 m/ 1 h 5 m before the performance, considering possible changes.

Neonshow project arrives to the area 1 h 30 m before the performance

If necessary we rehearse our show on stage before the actual performance.
